REVOLUTIONARY SMART PRINTER FOR BUSINESS

HP OfficeJet Pro 9000 All-in-One series

Designed to save you time

Freedom to work anywhere

Enhanced security, reliable connections

Ordering ink has never been easier

SMART BUSINESS PRODUCTIVITY

This revolutionary smart printer works the way you need it. Help save time with Smart Tasks—the first in-class mobile solution that automates scanning tasks.[1,2] Print and scan from your phone virtually anywhere, and count on seamless connections and best-in-class security.[1,3,4]

Designed to save you time

Eliminate steps in repetitive tasks with Smart Tasks.[1] Scan to the cloud, email, and more—in just a tap. Create editable, searchable documents from your phone or printer.[1]

Freedom to work anywhere

Stay connected to business. Get work done wherever, whenever, and easily print, scan, and copy from your phone, using the best-in-class mobile print app: HP Smart.[1,5]

Enhanced security, reliable connections

Get best-in-class security to help maintain privacy and control, and self-healing Wi-Fi® that keeps you connected.[3,4]

Ordering ink has never been easier

Easily check ink status and see when you're running low, from the HP Smart App home screen.[1] You can even order new ink cartridges directly through the app.[1]

DESIGNED TO SAVE YOU TIME

Elevate office productivity with the ultimate scan solution. Organise documents 50% faster,[6] and help save time with Smart Tasks.[1] Finish projects fast with dual-pass, two-sided scanning (9010 model). Scan at speeds up to twice as fast, with single-pass, two-sided scanning (9020 model).[7] Automate tasks with Smart Tasks.[1]

Hassle-free productivity

Quickly capture both sides of a page at once for scanning, copying, and faxing, and take on high-volume jobs with confidence, using two 250-sheet paper trays that fit a full ream of paper (9020 model). Work fast and hands-free with the 35-page automatic document feeder.

Smart document management

Create one-touch, custom shortcuts for repetitive tasks and transfer scans into editable, searchable documents with Smart Tasks.[1] Scan to the cloud, email, and more, in one easy step.[1] Smart Tasks automatically syncs with business software. Now you can process expenses in half the time --simply scan receipts and autosave to QuickBooks.[6]
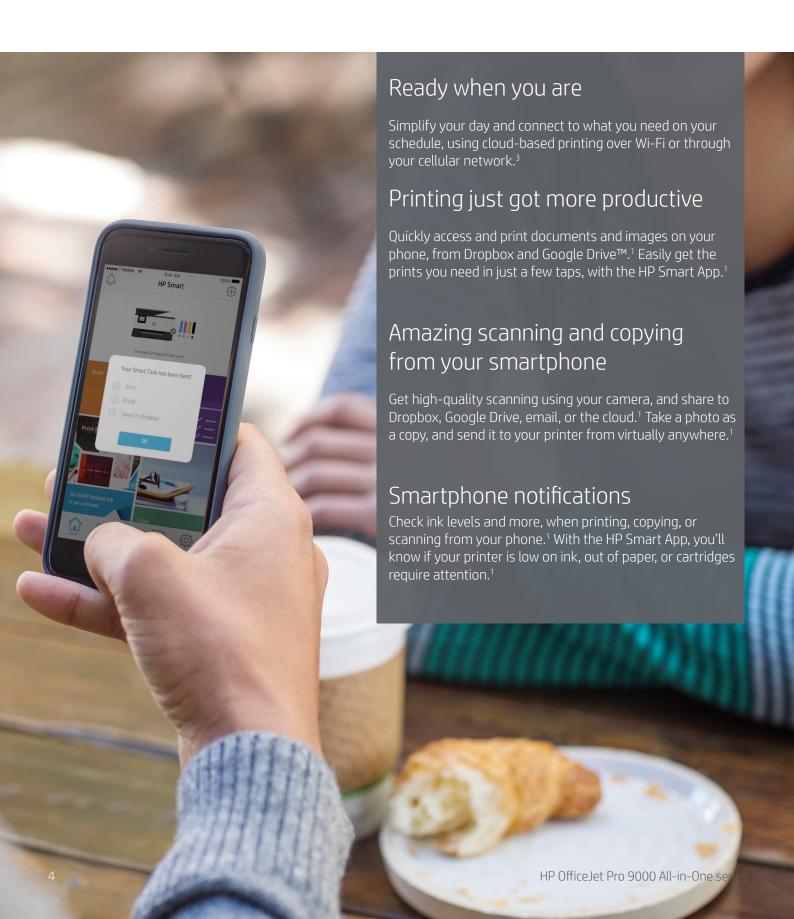

The prints you want, fast

Produce business documents quickly with fast print speeds. Automatic two-sided printing lets you speed through multipage jobs.

Walk-up convenience

Print photos from a USB drive, and scan to USB directly at the printer. Print, scan, copy, and fax with tap-and-swipe ease, using the colour touchscreen.

FREEDOM TO WORK ANYWHERE

Ready when you are

Simplify your day and connect to what you need on your schedule, using cloud-based printing over Wi-Fi or through your cellular network.[3]

Printing just got more productive

Quickly access and print documents and images on your phone, from Dropbox and Google Drive™.[1] Easily get the prints you need in just a few taps, with the HP Smart App.[1]

Amazing scanning and copying from your smartphone

Get high-quality scanning using your camera, and share to Dropbox, Google Drive, email, or the cloud.[1] Take a photo as a copy, and send it to your printer from virtually anywhere.[1]

Smartphone notifications

Check ink levels and more, when printing, copying, or scanning from your phone.[1] With the HP Smart App, you'll know if your printer is low on ink, out of paper, or cartridges require attention.[1]

ENHANCED SECURITY, RELIABLE CONNECTIONS

Get enhanced security to help maintain privacy and control, and self-healing Wi-Fi that keeps you connected.[3]

Your reliable connection

Help ensure you stay connected when you need to with self-healing Wi-Fi.[3] Your printer automatically detects and resolves connectivity issues to reduce interruptions.[3]

Ready to help protect business

Help keep your devices safe, your data secure, and your documents private. With best-in-class security, you can help protect against viruses, malware, and unauthorised access.[4]

Extend your printing reach

Keep your office connected. Built-in wireless and Ethernet capabilities let you easily access, print, and share resources on a network.[3] Wi-Fi Direct® printing lets you print directly from your phone, without accessing your network.[8]

ORDERING INK HAS NEVER BEEN EASIER

Produce vivid, professional colour prints, and get rich black text for all your business documents. Print more pages with Original HP high-yield ink cartridges.[9]

Check ink levels right from your phone

Easily see when you're running low on ink, and order new ink cartridges directly through the app.[1]

More ink. More value.

Replace ink less frequently and increase your value. Print more pages and change cartridges less often, with Original HP high-yield cartridges.[9]

Professional quality colour

Get impressive colour print quality. Produce vibrant, professional quality colour graphics, perfect for office use and client presentations.

Rich black text

Count on exceptional print quality, time after time. Original HP ink cartridges deliver sharp black text for all your business documents.
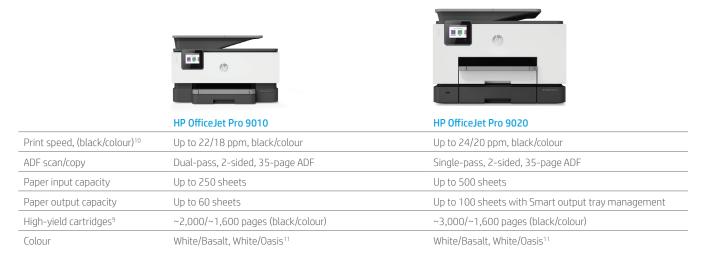

FEATURE HIGHLIGHTS

HP OfficeJet Pro 9020 All-in-One shown

Blue text indicates step-up feature from the 9010 series

To contact HP by country, please visit hp.com/go/contact.

If you don't have access to the Internet, contact your qualified HP dealer.

HP OfficeJet Pro 9010

HP OfficeJet Pro 9020

HP 963, 963/967XL ink cartridges[9]

[1] Requires the HP Smart App download. For details on local printing requirements see hp.com/go/mobileprinting.

[2] Compared to the majority of competing in-class consumer colour desktop inkjet all-in-ones <€299 Euro. Keypoint Intelligence - Buyers Lab 2018 research study commissioned by HP based on research survey of printer manufacturers' published specifications, sustainability reports and press releases as of 12/15/2018 and not confirmed by lab testing. Market share as reported by IDC CYQ3 2018 Hardcopy Peripherals Tracker, CYQ3 2018 Release. The ability to automate work defined as having the capability to use the OEM mobile print app to create a multistep workflow on mobile device and have a shortcut appear on both the app and on control panel of printer; and/or use intelligent Optical Character Recognition to name a scanned file based on the first few words of a document. For more details, see keypointintelligence.com/HPOfficeJetPro.

[3] Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting. Wi-Fi is a registered trademark of Wi-Fi Alliance®.

[4] Compared to the majority of competing in-class consumer colour desktop inkjet all-in-ones <€299 Euro . Keypoint Intelligence - Buyers Lab 2018 research study commissioned by HP based on research survey of printer manufacturers' published specifications, sustainability reports and press releases as of 12/15/2018 and not confirmed by lab testing. Market share as reported by IDC CYQ3 2018 Hardcopy Peripherals Tracker, 2018Q3 Release. AiO with best in-class security features based on review of published embedded security features of competitive in-class models and defined as offering business-class, multi-point security, including but not limited to: encryption at the level of data, device, network, document; enterprise-class Wi-Fi security; and secure printing. For more details, see keypointintelligence.com/HPOfficeJetPro.

[5] Compared to majority of OEM mobile printing apps for inkjet and laser printers and all-in-ones for home and home office, priced less than or equal to €429.99 Euro. Market share as reported by IDC CYQ2 2018 Hardcopy Peripherals Tracker. Claim based on lab testing and research of printer manufacturer's mobile print apps and Keypoint Intelligence - Buyers Lab study commissioned by HP. See Sept 2018 report at keypointintelligence.com/HPSmartApp.

[6] Based on internal HP testing. Average timing estimate based on: 1) downloaded HP Smart app on mobile device, 2) setting up Smart Tasks shortcut, 3) scanning jobs which have more than 2-3 tasks associated with them (scan to email, save and rename, store to cloud, etc.). Average timing savings comparison based on using printer and desktop scan software to complete similar scanning tasks. Requires the HP Smart app download and supported HP printer. For details on local printing requirements see hp.com/go/mobileprinting.

[7] Based on black-and-white duplex scanning speeds at 200ppi. The HP OfficeJet Pro 9020 series features single-pass, two-sided scanning for capturing both sides of a two-sided page at once, delivering up to twice the scanning speed of the HP OfficeJet Pro 9010 series, which only features two-sided scanning. HP OfficeJet Pro 9010 series scanning speeds: up to 4 ipm. HP OfficeJet Pro 9020 series scanning speeds: up to 15 ipm.

[8] Mobile device needs to be connected directly to the signal of a Wi-Fi Direct®-supported MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of the Wi-Fi Alliance®.

[9] Based on HP 963/967XL High Yield Black and HP 963XL High Yield colour Original Ink Cartridges. High-yield ink cartridges not included; purchase separately. The HP 967XL High Yield Black Ink Cartridge is available for the 9020 model only. For more information, see hp.com/go/learnaboutsupplies. Less cost per page compared with manufacturer recommended street price and published page yield of standard-yield HP 963 Original Ink Cartridges. Actual pricing may vary.

[10] Print speed in pages per minute (ppm). Printing speed measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

[11] Availability of colour options varies by country/region.
