Legal disclaimers

1. Actual yield varies considerably based on content of printed pages and other factors. Average based on ISO/IEC 19752 and continuous printing. Additional printed pages require toner reload. For details, visit www.hp.com/go/learnaboutsupplies.

2. Based on an internal HP comparison of cost-per-page of in-class HP LaserJet Pro M15 and HP LaserJet Pro MFP M28 using standard-fill HP 44A/48A/47A Black Original LaserJet Toner Cartridge. For page yield details, visit www.hp.com/go/learnaboutsupplies.

3. The Toner Reload Kit is not included with the printer; please purchase separately.

4. Over 75% plastic reduction is calculated by comparing the weight of the plastic in HP Neverstop Laser 103/143 A/AD and HP Laser NS 108 A/AD Toner Reload Kit and its packaging.

5. When used in accordance with the instructions. Average reload time based on HP internal testing.

6. The yield of the imaging drum is approximately 50,000 single-sided pages (letter or A4 paper size). There are many factors that determine the actual drum useful life, such as temperature, humidity, type of paper, type of toner used and other variables. The imaging drum unit is replaceable through an authorised service provider.

7. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at www.hp.com/go/mobileprinting. Wi-Fi is a registered trademark of Wi-Fi Alliance®. Supports both 5.0 GHz and 2.4 GHz, using up to 12 non-overlapping channels vs only 3 non-overlapping channels for 2.4 GHz only. Supports 5.0 GHz band (up to 150 mbps) vs 2.4 GHz band (up to 72.2 mbps). Internet access is required and must be purchased separately.

8. Requires the HP Smart App download. For details on local printing requirements, visit www.hp.com/go/mobileprinting. Certain features/software are only available in English, and may differ between desktop and mobile applications. Subscription may be required; subscription may not be available in all countries. See details at HPSmart.com. Internet access is required and must be purchased separately. HP account required for full functionality. List of supported operating systems available in app stores.

9. Compared to OEM printing apps for the majority of top-selling, network-capable inkjet/laser printers and all-in-ones for the home and office, priced ≤ 450 USD. Market share as reported by IDC Quarterly Hardcopy Peripherals Tracker – Final Historical CYQ4 2020. Claim based on research of printer manufacturer's print apps and the Keypoint Intelligence hands-on testing and study April 2021 commissioned by HP. For details, please see: keypointintelligence.com/HPSmartApp

10. After 12 months, a monthly fee will apply to continue using advanced features with HP Smart Advance. HP Smart Advance is not available in all countries.

11. Applies to wireless models only

12. Available on LaserJet Tank 2600s series only

13. Applies to LaserJet Tank 2500 series and LaserJet Tank 2600s series only

14. Applies to LaserJet Tank 1500 series and LaserJet Tank MFP 1600 series only
