Achieve outstanding fine line detail, bold blacks, distinguishable grays, and vivid colors with HP Flex Tech Inks. Accommodate different applications such as technical drawings, blueprints, maps, presentations, and even posters.

Produce professional looking technical drawings with fine line quality and excellent small letter clarity. Get your ideas across with outstanding hashes rendering fine detail on presentation panels and renders. Clearly communicate with bold blacks, distinguishable grays, and vivid colors using HP's pigment technology.

Confidently share prints with outstanding light and water fastness, print permanence,[1] and resistance to smudging and highlighter bleed.

Confidently archive your drawings with outstanding light fastness and print permanence.[1] Don't fret about water drops or spills with impressive water fastness resistance. Avoid damage to your prints with inks that offer great resistance to smudging and highlighter bleed.

Commit to minimizing your environmental impact with UL ECOLOGO® Certified inks.[2] Unlabeled cartridges make it easier to recycle.[3] And it's free with the HP Planet Partners Program.[4]

Commit to minimizing your environmental impact with HP Flex Tech Inks that meet UL ECOLOGO® Certification.[2] Recycle supplies for free with the HP Planet Partners Program.[4] Recycling is easier with unlabeled cartridges.[3]

Overview

[1] Tests conducted by Wilhelm Imaging Research, Inc. for HP Inc. indicate that documents printed with HP pigment-based black and pigment-based color inks printed on HP Bright White Inkjet Paper stored in the dark will achieve WIR Dark Storage Permanence Ratings of "Greater Than 200 Years." Prints also reach "over 100 years" on a variety of papers exposed to indoor light fading (without glass frame), based on ozone tests.

[2] UL ECOLOGO® Certification to UL 2801 demonstrates that an ink meets a range of multi-attribute, lifecycle-based criteria related to human health and environmental considerations (see <https://www.ul.com/EL>).

[3] Easier compared to cartridges that have labels, which must be removed before recycling.

| Warranty | Each HP ink cartridge, printhead, and related supply is warranted to be free from defects in materials and workmanship during the period of the warranty. This warranty pertains to any HP ink cartridge or printhead when used in its designated HP or authorized original equipment manufacturer (OEM) printing device. See the product manual for the printer to determine the correct ink cartridge, printhead, or related supply selection. This warranty does not cover HP ink products that have been refilled, remanufactured, refurbished, misused, or tampered with. The coverage lasts until the “Warranty Ends” date has been reached or the warranted usage limit has been reached, whichever occurs first.
