HP Universal Matte Canvas 350 g/m²

HP Universal Matte Canvas is perfect for printing low-price-point consumer art reproductions. This media is an economical artist stretch canvas that delivers superb quality for price-sensitive applications.

- HP Universal Matte Canvas features a bright-white, slightly textured, matte finish creating cost-effective, high-quality prints with vivid, accurate colour and true artistic quality.

- HP Universal Matte Canvas performs throughout your entire printing and finishing workflow. This paper dries so that prints can be handled right off the printer and is compatible with a variety of liquid and solvent-based laminates.

- Long-lasting prints and excellent image stability when used with HP Vivera pigment inks.

HP Universal Matte Canvas is an economical artist canvas ideal for Art Reproduction Houses, Graphics Print Service Providers, Artists and Photographers creating consumer art reproductions.
