Produce professional, black-and-white documents quickly with HP LaserJet 1320 Printers. Ideal for individuals and small workteams, this series also offers flexible networking options and automatic two-sided printing.

Designed for professionals or workgroups seeking reliable, space-saving monochrome printing to meet business and personal needs at home or in the office – for fast, high-quality printing, easy connection and sharing, and lower ownership costs.

Fast printing with up to 21 ppm and instant-on technology.

- Produce high-quality documents quickly and easily.
- The HP LaserJet 1320 Printers print at speeds of up to 21 ppm.
- Combined with instant-on technology that requires no warm-up time\(^1\), your prints can be finished before many printers have even started printing.
- With a 133 MHz Motorola V4 Coldfire processor and 16 MB expandable memory, these printers handle even complex files and minimise bottlenecks.
- Selected models allow a total input capacity of 500 sheets, minimising user intervention.

Get professional-looking documents with 1200 dpi.

- HP LaserJet 1320 Printers keep your performance looking its best.
- Produce professional, high-quality prints every time with true 1200 dpi resolution and high-quality HP printing supplies.
- The results are consistently crisp, sharp and clear.
- Save money and resources with automatic two-sided printing that virtually doubles input capacity and makes paperwork more manageable.

Flexible options to fit your environment.

- The HP LaserJet 1320 Printer series offers an array of features to give your business the flexibility it needs.
- Share printers across small workgroups with built-in wired or wireless networking\(^2\).
- Expand printer memory up to 144 MB to handle even complex documents.
- HP Smart Printing technology\(^3\) alerts you automatically when it’s time to replenish supplies.
- The compact printer design saves your desktop space.
- Built to fit into your existing office environment, the printer supports a wide range of Microsoft® Windows® or Macintosh operating systems.
