Performance and security that you can count on

This efficient MFP helps conserve energy, increases productivity, and enables employees to speed through tasks. Built-in, multi-level device security helps guard your printing fleet.¹ Get more vibrant, professional-quality pages² from this colour MFP with Original HP Toner cartridges with JetIntelligence.

Business-Class Printers

For the fifth year in a row and the sixth time since 2008, HP has captured BLI's Colour Printer/MFP Line of the Year award.

Who can benefit?

Workgroups of up to 15 people can share this high-performance MFP. Fine-tune office productivity with a user-friendly colour touchscreen, input capacity of up to 2,300 sheets,³ and single-pass, two-sided scanning. Choose the Flow M577c model for additional workflow features like a pull-out keyboard for smooth data entry and advanced scanning and routing options. Easily upgrade this enterprise device as your organisation's needs change—and use simple, central management tools to save on IT time and budget.

Product walk around

HP Color LaserJet Enterprise Flow MFP M577c shown

- 1 Intuitive 20.3 cm colour touchscreen tilts up for easier viewing
- 2 Convenience stapler
- 3 Pull-out keyboard for easy, accurate data entry
- 4 Convenient front on/off button
- 5 Right door (access to print path)
- 6 100-sheet multipurpose tray
- 7 550-sheet input tray 2
- 8 100-sheet ADF with single-pass, two-sided scanning and HP EveryPage
- 9 Hardware Integration Pocket⁴ (for connecting accessory and third-party devices)
- 10 Easy-access USB port to save and print files directly⁵
- 11 250-sheet output bin
- 12 Front door (access to HP JetIntelligence Toner cartridges)
- 13 Built-in automatic two-sided printing
- 14 1.75 GB standard memory (upgradeable to 2.5 GB)⁶ and a 1.2 GHz processor
- 15 HP High-Performance Secure Hard Disk
- 16 Fax port
- 17 HP Jetdirect Gigabit Ethernet print server
- 18 Slot for optional cable-type security lock
- 19 Hi-Speed USB 2.0 port (for connecting third-party devices)
- 20 Hi-Speed USB 2.0 printing port

Product comparison

The following table compares the new HP Color LaserJet Enterprise Flow MFP M577c with the HP LaserJet Enterprise 500 color flow MFP M575c.

HP Color LaserJet Enterprise Flow MFP M577c

HP LaserJet Enterprise 500 color flow MFP M575c

Benefits

Up to 38 pages per minute (ppm) print speed, A4—both simplex and duplex printing ⁹	Simplex: Up to 30 ppm, A4 Duplex: Up to 27 images per minute (ipm), A4 ⁹	Save time with 27% faster simplex output, letter, and 41% faster duplex output, letter
A5 landscape ¹⁰ print speed up to 59 ppm ⁹	Initial A5 print speed up to 30 ppm (slowing to 5 ppm after about 25 pages)	Save time with up to 11 times faster print speeds for narrow media
First page out (FPO) from sleep as fast as 9.0 seconds and as fast as 5.9 seconds from ready, A4 ¹¹	FPO as fast as 22 seconds from sleep and as fast as 10.5 seconds from ready ¹¹	Get energy efficiency without sacrificing productivity, with up to 59% faster FPO from sleep and a 44% faster FPO from ready
Black-and-white scan speeds: up to 45 ppm, A4, simplex; up to 64 ipm, A4, duplex ¹²	Black-and-white scan speeds: up to 42 ppm, A4, simplex; up to 50 ipm, A4, duplex ¹²	Increased workflow productivity with up to 28% faster two-sided scanning
HP Sure Start, run-time intrusion detection, whitelisting security features ¹	Not available	Multi-level, built-in security features guard your device against complex threats
Typical electricity consumption (TEC): 1.581 kWh/Week (ENERGY STAR [®] measurement)	TEC: 4.60 kWh/Week	Save resources with 66% lower TEC ¹³ and leading energy efficiency, ¹⁴ thanks to innovative HP technology
Input capacity (standard/maximum): Up to 650 sheets/2,300 sheets; ³ optional trays support a wide variety of media sizes	Up to 350 sheets/850 sheets ³	171% higher input capacity minimises interruptions; with 550-sheet trays, you can add a whole ream before the paper runs completely out; put different size paper in each tray
Optional wireless direct printing ⁷ and NFC ⁸	Not available	Improved efficiency and convenient mobile printing
High-yield black/colour cartridges (~12,500/9,500 pages) ^{15,16}	High-yield black cartridges (~11,000 pages) ¹⁵	High-capacity toner cartridges allow users to print more pages with less intervention
Original HP Toner cartridges with JetIntelligence	Original HP toner cartridges	58% more professional-quality pages, ² peak printing performance, and the added protection of anti-fraud technology
Quick, accurate online help ¹⁷	Not available	Easy access to up-to-date troubleshooting guides from mobile devices or your PC

Key benefits at a glance

This efficient MFP helps conserve energy, increases productivity, and enables employees to speed through tasks.

High-speed performance meets energy efficiency

- Don't wait for documents. Print your first page in as few as 8.6 seconds from energy-efficient sleep mode—faster than the competition.^{11,18}
- Speed through jobs. Print two sides as quickly as one—up to 38 ipm, A4⁹—and scan both sides of the page at once.
- This MFP uses exceptionally low amounts of energy—thanks to its innovative design and toner technology.¹³
- Choose a maximum capacity of up to 2,300 sheets.³
- Equip employees to breeze through tasks on the 20.3 cm colour touchscreen.
- Save time with the advanced workflow features on the Flow MFP M577c model.

Unparalleled fleet security and management

- Embedded features detect security threats to protect your MFP from boot up to shut down.¹
- Protect sensitive data on the MFP and in transit, using embedded and optional HP JetAdvantage Security Solutions.¹⁹
- Centralise control of your printing environment with HP Web Jetadmin.²⁰

More. Pages, Performance, and Protection.

- Get the most prints for your money² and spend less time replacing toner—using Original HP High Yield Colour Toner cartridges with JetIntelligence.¹⁶
- Count on professional quality at high speeds with HP ColorSphere 3 toner.
- Help ensure you're getting the authentic HP quality you paid for with innovative anti-fraud technology.
- Get right to printing without delays or mess—quickly replace your cartridge using auto seal removal and easy-open packaging.

Stay connected with secure mobile printing options

- Enable optional 128-bit encrypted wireless direct printing from mobile devices⁷ or add the option to print with just a touch of your NFC-enabled mobile device⁸—without accessing the network.
- Easily print from a variety of smartphones and tablets—generally no setup or apps required.²¹
- Easily access, print, and share resources with Ethernet and optional wireless networking.²²

High-speed performance meets energy efficiency

This efficient MFP is designed to conserve energy without sacrificing productivity—so employees can speed through tasks and move business forward.

Get more done, faster, with advanced workflow features

In addition to the standard workflow features, the Flow MFP M577c model includes the following enhancements:

- Faster scan speeds; two-sided scanning projects are done in a flash
- HP EveryPage Technology, which helps capture every page and detect potential errors or missed pages on the spot—even when the weight, size, or condition of pages varies
- An extended life ADF, with up to 13,900-page recommended monthly scan volume
- A large pull-out keyboard for faster, more accurate data entry
- Built-in optical character recognition (OCR), for editable and searchable scans
- Auto-orientation, auto-page-crop, and auto-tone (for contrast, brightness, and background removal of each page)
- Send to Microsoft® SharePoint®

Take waiting out of your workday

Thanks to Original HP Toner cartridges with JetIntelligence, you can print your first page in as little as 8.6 seconds from energy-efficient sleep mode and 5.6 seconds from ready mode.¹¹ Print two-sided documents as quickly as one-sided documents—up to 38 ipm, A4.⁹ Scan two-sided documents as fast as 43 ipm with the M577dn and f models, and as fast as 64 ipm with the Flow M577c model.¹² Print on A5 media in landscape mode in as fast as 59 ppm.^{9,10}

Designed to conserve

Keep productivity up and energy use down. This Blue Angel and ENERGY STAR certified MFP leads its class in energy efficiency.¹⁴ Help cut costs with HP Auto-On/Auto-Off Technology²³ and HP Instant-on Technology²⁴—intelligence that readies your MFP right when you need it and turns it off when you don't. Support for thin media allows users to print on papers as light as 60 g/m².

Loaded for productivity

Let high-volume print jobs handle themselves. With a 2,300-sheet maximum capacity and 550-sheet trays that fit a whole ream of paper, you can spend less time loading and reloading paper.³ With the optional cabinet and stand,²⁵ users can position the printer right where it's needed while adding storage for extra paper and supplies.

Top quality—on any media

Ensure the consistent, high-quality results you expect. Media-sensing technology automatically adjusts print settings across a wide variety of paper types, including plain, glossy, and thick media.

HP EasyColor detects document content and automatically adjusts to optimise quality and speed. Designed together with HP papers and JetIntelligence Toner cartridges, HP ImageREt 3600 produces exceptional output for your printed documents.

Simplify tasks with a touch

The 20.3 cm colour touchscreen control panel tilts up for easy viewing by all users. It offers:

- Image preview, which lets you add, delete, reorder, and zoom in on pages.
- Menus that allow you to set system defaults, customise job settings, and configure and launch HP Quick Sets.
- Relevant Online Help gives clear instructions, illustrations, and animations.
- Easy-to-read status messages.
- Localised virtual keyboards.

For more details, see Appendix C, "Control panel features," on page 21.

Pull print jobs from your pocket

Walk up and print or scan right from a memory device. The easy-access USB lets you quickly complete your print job from a flash drive. A variety of file types are supported.

Feed documents without the hassle

The 100-sheet automatic document feeder allows you to scan two-sided documents in a single pass for quick job processing, without flipping pages by hand. With the ADF, you can automatically:

- Detect and remove blank pages from scanned documents, reducing file size.
- Deskew sheets that are not inserted quite straight.
- Determine the best output format and exposure for the data content.
- Classify input original as either colour or non-colour.
- Eliminate paper punch holes, staples, and black overscan lines with edge erase.

Expand scanning possibilities

The 216 by 356 mm flatbed scanner lets you easily copy and scan non-standard and bound material. Colour scanning comes standard on all HP MFPs.

Scan and send right to your destination

Easily integrate paper documents into the digital workflow—send scanned documents directly to a variety of destinations like email recipients, network folders, or LAN fax addresses, with no need for middleware. Built-in LDAP addressing simplifies email distribution.

The Send-to-Email Default Setup Wizard and the Save-to-Folder Quick Set Wizard help you quickly and easily configure your HP MFP's digital sending features.

Make copies and send faxes with ease

The MFP may be used as a standalone, walk-up copier. Place your originals on the scanner glass or use the automatic document feeder and adjust all copy settings at the control panel.

Quickly and easily send and receive faxes with the HP LaserJet MFP Analog Fax 600 from the control panel icon.²⁶

Optional HP JetAdvantage Workflow Solutions

HP Embedded Capture

Capture and send without relying on a server

HP Embedded Capture simplifies capture tasks, so scanning and distributing information is as easy as pressing a button. And since it's installed directly on your multifunction printer, it minimises downtime.

To learn more, visit hp.com/go/hpembeddedcapture.

HP Digital Sending Software

Streamline document handling with a server-based solution

Maximise return on your IT investment with a capture and send software that leverages existing IT infrastructure and uses a common administrative utility and end-user interface, so you can use it across multiple HP devices and device types.

To learn more, visit hp.com/go/dss.

HP Capture and Route

Capture, manage, and store all your information

HP Capture and Route is a scalable solution that makes it easy for your team to control and track scanned content, and distribute documents with the touch of a button to back-office applications, fax lines, online destinations such as Microsoft SharePoint and Autonomy iManage, as well as cloud-based repositories.

To learn more, visit hp.com/go/captureandroute.

Unparalleled fleet security and management

Trust your MFP is secure from power-up to power-down. Get strong protection for devices, data, and documents with embedded and optional HP JetAdvantage Security Solutions and features.¹ Centrally manage your entire printer fleet with innovative HP JetAdvantage Management Solutions.¹⁹

Count on HP to help you proactively protect your devices, data and documents:

- Built-in security features and settings help safeguard your device from boot up to shut down¹
- Pull print options like cloud-based HP JetAdvantage Private Print²⁷ or HP Access Control help you protect confidential documents
- Authentication options such as PIN, PIC, or HP proximity cards control access to your devices
- HP JetAdvantage Security Manager²⁸ helps make fleet security management simple and automatic
- HP Printing Security Advisory Services can help you develop a cohesive printing security strategy and implement solutions to protect your business

Print only what you need—straight to the right hands

Increase security, restore control, and help avoid additional expenses. HP JetAdvantage Private Print²⁷ helps prevent unauthorised access to confidential print jobs stored in the cloud. Users get the flexibility to pick up jobs at any compatible device. For more information, visit hpietadvantage.com/ondemand.

Count on built-in security for greater protection

Gain peace of mind with multi-level, built-in security features that guard your device against complex security threats.¹ HP Sure Start maintains BIOS integrity, whitelisting protects device firmware, and run-time intrusion detection guards against malware.¹ Plus, HP Enterprise printing devices come with more than 200 embedded settings to help safeguard your sensitive business information. For more information, see Appendix A, “Security features” on page 17.

Opt for tighter security

Further safeguard information in transit over the network and stored on the device—keys, passwords, certificates and more—using the encrypted HP High-Performance Secure Hard Disk and optional HP Trusted Platform Module.²⁹

Streamline fleet management and security

Centralise control of your print environment with HP Web Jetadmin,²⁰ an HP JetAdvantage Management Solution. Easily discover and configure devices, conduct remote diagnostics, upgrade firmware, and monitor and manage supplies.

The HP Universal Print Driver (UPD) is the single driver that gives users instant access to a range of HP print devices without downloading separate drivers.³⁰

HP JetAdvantage Security Manager delivers the most comprehensive printing security in the market, with policy-based protection for printing and imaging devices.²⁸

For more information, see Appendix A, “Security features” on page 17 and Appendix B, “Fleet management features” on page 20.

Expand the capabilities of your MFP

Do more with your investment. Easily develop and deploy HP and third-party solutions with the HP Open Extensibility Platform (OXP). The OXP creates a unified environment for software solutions that run on your HP Enterprise devices—providing sound investment protection, consistency for end users, and easier management.

HP’s cost-effective solution for hardware upgrades—the Hardware Integration Pocket (HIP)⁴—allows you to integrate optional secure mobile printing or authentication solutions, such as card and badge readers.

Work with the future in mind

HP FutureSmart Firmware lets you upgrade this MFP on your schedule, whenever solutions advance. Add new features—such as workflow and security enhancements—without having to purchase new hardware. A consistent user interface and menu design across all HP FutureSmart devices—including the HP Color LaserJet Enterprise MFP M577 series—makes the user experience intuitive and familiar. To learn more, visit hp.com/go/futuresmart.

More. Pages, Performance, and Protection.

Bring out the best in your MFP. Print more professional-quality colour pages than ever before,² using specially designed Original HP Toner cartridges with JetIntelligence. Count on better performance, higher energy efficiency, and the authentic HP quality you paid for—something the competition simply can't match.²

Original HP Toner cartridges with JetIntelligence

More colour pages than ever before²

Be confident you're getting the most out of every cartridge you buy. HP JetIntelligence Toner cartridges deliver over 58% more colour pages² than ever before with page maximiser technology. Consistently predict toner levels with print gauge technology.³¹

HP quality—print after print

HP ColorSphere 3 toner is engineered for a low melt point for consistent, professional-quality results at high speeds. It is precisely tuned to match the powerful performance of the M577 MFP series.

Protect your investment

Don't be fooled by cartridges that attempt to mimic Original HP. Innovative anti-fraud technology helps identify whether a cartridge is Original HP, used, or counterfeit—to help ensure you're getting the authentic HP quality you paid for.

High yield, low intervention

Don't waste important business time replacing toner cartridges. Optional high-yield cartridges—both black and colour—enable uninterrupted printing for longer periods of time.¹⁶

Ready to work, right away

Speed through print jobs right out of the box—without even opening the cartridge door. The M577 series is shipped with preinstalled, specially designed Original HP Toner cartridges with JetIntelligence.

Start printing quickly and easily

Get right to printing without delays or mess—quickly replace your cartridges using auto seal removal and easy-open packaging.

More pages

Original HP Toner cartridges with JetIntelligence are re-engineered for higher ISO yields¹⁵ and more dependable toner level status.³¹

Page maximiser technology

- More pages per cartridge than previous generations of HP toner cartridges²
- Smaller, more robust parts³³
- Less cartridge wear³³

Print gauge technology

- More dependable gauges³¹ to ensure you get the most prints possible from your cartridges

More performance

Reformulated toner for a low melt point and hard shell that supports more pages² in a smaller, faster device and uses less energy to print a page.³²

ColorSphere 3 toner

- Low melt core = faster print speed and HP legendary quality
- Hard shell = durable toner for higher yields

More protection

Get the authentic HP quality you paid for and avoid potential problems. Help manage business costs and maintain quality standards across your fleet.

Anti-fraud technology

- Helps you identify the difference between Original HP and used or counterfeit cartridges
- Supports policies you set for your printing fleet

Auto seal removal

- Skip a step—the toner seal is automatically removed for you
- Get right to printing without delays

Stay connected with secure mobile printing options

Increase work team agility while also protecting the company network.²² Ethernet and optional wireless networking and peer-to-peer printing help users stay connected and work securely—throughout the office.^{7,22}

Hewlett-Packard Company
NFC/WiFi Direct

Outstanding Achievement in Innovation

Buyers Laboratory, LLC gave HP an Outstanding Achievement in Innovation award for its use of NFC/Wi-Fi Direct to bring security and simplicity to mobile printing.

Extend your printing reach

Built-in 10/100/1000 Ethernet and optional 802.11b/g/n wireless networking let you share printing resources on a network.²² For more information, please see "Ordering information" on page 16.

Print wirelessly from mobile devices—no network needed

Enable optional wireless direct printing from anywhere in the office from smartphones, tablets, and notebook PCs.⁷ Or, add the option to walk up and print with just a touch of your NFC-enabled smartphone or tablet to this MFP.⁸ (On Android™ devices, NFC touch-to-print is enabled via the HP ePrint app.) On all models, both features can be added via an optional accessory.

There's no need to search through a long list of devices—automatically discover the nearest printer without accessing your corporate network. Security and user access settings—like 128-bit encryption and a configurable passphrase—can be easily set up with HP Web Jetadmin²⁰ or the HP Embedded Web Server.

Print from a wide range of mobile devices

Easily print documents, emails, PDFs, and more from iPhones and iPads as well as smartphones and tablets running iOS, Android version 4.4 or later, Windows® 8/10, or Google Chrome™ operating systems—generally no setup or apps required.²¹ Simply open and preview the content you want to print, select your device, and hit Print. For mobile devices without built-in print support, users will first need to download the HP ePrint app or HP ePrint software.

Managed mobile print solutions

If you're looking to deploy mobile printing across a printer fleet, HP offers server-based solutions that provide secure pull-printing, as well as advanced management and reporting capabilities. HP also provides options to integrate with third-party mobile device management solutions.

HP JetAdvantage Mobile Print Solutions

Choose the right mobile printing options for your business.

Wireless direct or NFC touch-to-print

Easy to install, setup and use with high quality and reliability

HP Access Control or HP ePrint Enterprise

Secure, server-based solutions that preserve admin controls even in BYOD environments

Print languages	HP PCL 6, HP PCL 5c, HP postscript level 3 emulation, native PDF printing (v 1.7)		
Fonts	105 internal TrueType fonts scalable in HP PCL, 92 internal scalable fonts in HP postscript Level 3 emulation (Euro symbol built-in); 1 internal Unicode Fonts (Andale Mono World Type); 2 Internal Windows Vista® 8 Fonts (Calibri, Cambria); Additional font solutions available via third-party flash memory cards; HP LaserJet Fonts and IPDS Emulation available at hp.com/go/laserjetfonts		
Connectivity	2 Hi-Speed USB 2.0 Host; 1 Hi-Speed USB 2.0 Device; 1 Gigabit/Fast Ethernet 10/100/1000Base-TX network; Hardware Integration Pocket		Plus: Fax
Mobile printing	Standard: HP ePrint, ³⁷ AirPrint, ³⁸ Mopria-certified, ³⁹ Google Cloud Print™ 2.0 Optional: Wireless direct printing, ⁷ NFC touch-to-print ⁸		
Network capabilities	Standard: Via HP Jetdirect Ethernet embedded print server supports: 10Base-T, 100Base-Tx, 1000Base-T; 802.3az (EEE) support on Fast Ethernet and Gigabit Ethernet; IPsec Optional: 802.11b/g/n wireless networking enabled with purchase of accessory ²²		
Network protocols	IPv4/IPv6: Apple Bonjour Compatible (Mac OS 10.2.4 or higher), SNMPv1/v2c/v3, HTTP, HTTPS, FTP, TFTP, Port 9100, LPD, WS Discovery, IPP, Secure-IPP, IPsec/Firewall IPv6: DHCPv6, MLDv1, ICMPv6 IPv4: Auto-IP, SLP, Telnet, IGMPv2, BOOTP/DHCP, WINS, IP Direct Mode, WS Print Other: NetWare NDS, Bindery, NDPS, ePrint, Google Cloud Print 2.0		

	HP Color LaserJet Enterprise MFP M577dn	HP Color LaserJet Enterprise MFP M577f	HP Color LaserJet Enterprise Flow MFP M577c
Security	Identity management: Kerberos authentication, LDAP authentication, 1000 user PIN codes, optional HP and third-party advanced authentication solutions (e.g., badge readers) Network: IPsec/firewall with Certificate, Pre-Shared Key, and Kerberos authentication, Supports WJA-10 IPsec configuration Plug-in, 802.1X authentication (EAP-PEAP, EAP-TLS), SNMPv3, HTTPS, Certificates, Access Control List Data: Storage Encryption, Encrypted PDF and Email (uses FIPS 140-2 validated cryptographic libraries), Secure Erase, SSL/TLS (HTTPS), Encrypted Credentials Device: Security lock slot, USB port disablement, hardware integration pocket for security solutions, optional Trusted Platform Module Security management: Compatible with optional HP JetAdvantage Security Manager		
Compatible operating systems⁴⁰	Windows OS compatible with In-Box Driver: Windows XP SP3 all 32-bit editions (XP Home, XP Pro, etc.), Windows Vista all 32-bit editions (Home Basic, Premium, Professional, etc.), Windows 7 all 32- & 64-bit editions, Windows 8/8.1 all 32- & 64-bit editions (excluding RT OS for Tablets), Windows 10 all 32- & 64-bit editions (excluding RT OS for Tablets) Windows OS compatible with Universal Print Driver (From HP.com): Windows XP SP3 32- & 64-bit editions (XP Home, XP Pro, etc.), Windows Vista all 32- & 64-bit editions (Home Basic, Premium, Professional, etc.), Windows 7 all 32- & 64-bit editions, Windows 8/8.1 all 32- & 64-bit editions (excluding RT OS for Tablets), Windows 10 all 32- & 64-bit editions (excluding RT OS for Tablets) Mac OS (HP Print Drivers available from HP.com and Apple Store): OS X 10.8 Mountain Lion, OS X 10.9 Mavericks, OS X 10.10 Yosemite Mobile OS (In-OS drivers): iOS, Android, Windows 8/8.1/10 RT Linux OS (In-OS HPLIP): SUSE Linux (12.2, 12.3, 13.1), Fedora (17, 18, 19, 20), Linux Mint (13, 14, 15, 16, 17), Boss (3.0, 5.0), Ubuntu (10.04, 11.10, 12.04, 12.10, 13.04, 13.10, 14.04, 14.10), Debian (6.0.x, 7.x) Other OS: UNIX		
System requirements, PC	Supported Operating System (see above); CD-ROM or DVD drive, or Internet connection; Dedicated USB or network connection or Wireless connection; 200 MB available hard disk space; OS compatible hardware (For OS hardware requirements see microsoft.com)		
System requirements, Mac	Mac OS (HP Print Drivers available from HP.com and Apple Store); Supported Operating System (see above); Internet; USB; 1 GB HD; OS compatible hardware (For OS hardware requirements see apple.com)		
Dimensions (width x depth x height)	Minimum (all trays closed): 482 x 504 x 583 mm (18.98 x 19.84 x 22.95 in) Maximum: 699 x 504 x 583 mm (27.5 x 19.84 x 22.95 in)		
Weight (with cartridges)	38.1 kg (84 lb)	38.3 kg (84.5 lb)	38.6 kg (85 lb)
What's in the box	MFP, Four preinstalled HP LaserJet toner cartridges (yield ~6,000 pages black, ~5,000 pages colour ¹⁵), Toner collection unit, In-box documentation, Software CD, Power Cord Plus: Fax cable		
Software included	Windows: HP Software Installer/Uninstaller, HP PCL 6 Printer Driver, HP Device Experience (DXP), HP Send Fax, HP Update, Product Registration Assist, HP Web Services Assist (HP Connected), Online user manuals Mac OS: Welcome Screen (directs users to HP.com or OS App Source for LaserJet Software)		
Downloadable software	From 123.hp.com : HP Easy Start (Guided Software Install for Windows OS and Mac) From HP.com (Windows and Mac): Full-solution software and drivers (Same solution as "Software Included"); HP PLC 6 print driver only (No installer for "Add Printer" installs), HP PCL 6 print driver with installer, Product Documentation and Support From HP.com (Mac): Full-solution software and drivers For Mobile OS: See "HP Mobile Printing" at hp.com/us/en/ads/mobility/overview.html From In-OS app stores: HP recommended printer drivers and software From HP.com (for printer administrators): Printer Administrator Resource Kit (Driver Configuration Utility, Driver Deployment Utility, Managed Printing Administrator), HP Universal Print Drivers (PCL 6, PCL 5 & PS for Windows), HP ePrint Software (ePrint Mobile Driver for Windows), Linux/Unix Print Drivers, SAP (PCL 5 and PS Print Drivers), HP Web Jetadmin Software, HP Proxy Agent Software, HP JetAdvantage Security Manager ²⁸		
Warranty	One-year, next business day, onsite warranty. Warranty and support options vary by product, country and local legal requirements. Go to hp.com/support to learn about HP award winning service and support options in your region.		

Environmental and power specifications

	HP Color LaserJet Enterprise MFP M577dn	HP Color LaserJet Enterprise MFP M577f	HP Color LaserJet Enterprise Flow MFP M577c
Environmental ranges			
Temperatures	Operating: 15 to 30°C (59 to 81°F); Storage: 0 to 35°C (32 to 95° F); Recommended: 17 to 25°C (62 to 77°F)

Appendix A: Security features

Protect your business information

The HP Color LaserJet Enterprise MFP M577 series has a multitude of options to help you secure your environment. You can count on support for a number of solutions, along with built-in and optional security features such as PIN printing and an HP High-Performance Secure Hard Disk.¹⁹

Protect your printer

As capabilities expand and devices become more integrated into your work, device security becomes increasingly important. These features help protect the M577 series:

- **Embedded protection:** Multi-level, built-in features help protect your MFP against complex security threats from boot up to shut down.¹
 - HP Sure Start helps ensure that the device BIOS boots up properly every time with unaltered HP genuine code and without corruption, using the same technology as HP Elite Notebook PCs. If an anomaly is detected, the device will reboot to a known secure state.
 - Whitelisting helps ensure that the device firmware loads properly with HP genuine code—without corruption—every time.
 - Run-time intrusion detection guards against malware, so the device continues general operation without alteration or corruption.
- **Code signing:** Firmware signed by HP ensures that the firmware was produced by HP (authenticity) and that the firmware has not been altered in any way (integrity).
- **Firewall:** The built-in device network firewall allows or denies access to specific TCP/UDP ports and services.
- **Physical port disablement:** Host USB ports, network ports, and other physical ports can be disabled to prevent unauthorised use.
- **CA & Device Identity Certificates:** This MFP supports identity certificates signed by a corporate certificate authority, which provides verification of identity and authenticity. This device also supports CA certificates for validation of identity certificates. Certificates can enable secure end-to-end communications with the device when used with features like IPsec, Secure-IPP, HP ePrint, and more. Additional certificates can be stored for validating S/MIME email servers and 802.1x authentication.
- **Authentication and authorisation:** Authentication can help your organisation manage user access, help secure access to management utilities, and avoid unwanted device configurations. Control access to the MFP, device settings, and functions, with options like:
 - **Multiple embedded authentication methods.** Print with a positive ID. With authentication options available from the device, you can configure Windows/Kerberos authentication, LDAP authentication, and user PIN authentication that integrates with your existing infrastructure.
 - **Role-based device authentication and authorisation with HP FutureSmart.** With HP FutureSmart, you have more control than ever before over device security and permission settings. IT administrators can decide who can interact with certain device capabilities—helping to make printing more secure, control access, and uphold site security policies.
 - **HP and third-party authentication solutions.** With optional solutions like HP Access Control, you can enable advanced authentication using proximity cards. The Hardware Integration Pocket on the control panel enables integration of select card readers.⁴
- **Physical device protection:** Both the device and the HP High-Performance Secure Hard Disk can be physically secured from theft and tampering using a lock that requires a physical key for removal (this accessory must be purchased separately).
- **Common Criteria Certification (CCC):** CCC is a security certification recognised in 26 countries worldwide. HP certifies the security functionality of its Enterprise LaserJet MFPs and printers to align with the IEEE 2600 imaging and printing security standard.

Protect your data

Your MFP harbours sensitive information—make sure it's not at risk. HP offers security features at every stage in your work.

Help protect data at rest with the following features:

- **Storage encryption:** Defend your data. The HP High-Performance Secure Hard Disk provides full 256-bit AES hardware encryption.
- **Secure Erase:** The MFP provides built-in capabilities for securely overwriting data stored on it, allowing sensitive data to be safely removed. HP offers multiple mechanisms to erase stored data, including functionality that conforms to U.S. National Institute of Science and Technology (NIST) Special Publication 800-88.
- **Password protection:** Stored passwords are encrypted to help provide protection of this critical information.
- **Secure keys, credentials, and certificates:** For an extra level of security, the optional HP Trusted Platform Module (TPM) accessory can be added to the device to strengthen protection of encrypted credentials and data by automatically sealing device encryption keys to the TPM, and it provides secure device identity by generating and protecting certificate private keys.²⁹

Protect data in transit with these features:

- **Network protection:** Network-transmitted data can be protected with IPsec and print jobs can also be encrypted using Internet Printing Protocol (IPP) over SSL/TLS.
- **CipherSuite Encryption Strength:** Encryption strength can be selected to prevent the use of legacy or insecure protocols for data in transit.
- **FIPS-140 Mode:** Ensures device uses available FIPS-140 validated cryptographic modules for TLS encryption, SNMPv3 signing and encryption, and signed certificates.
- **Secure Encrypted Print with HP UPD 5.3.1 or later:** For added security, choose end-to-end Secure Encrypted Print. HP UPD³⁰ provides true symmetric AES256 print job encryption and decryption from the client to the page based on a user-defined password using FIPS 140 validated cryptographic libraries from Microsoft.
- **Secure Capture and Send:** Scanned PDFs and emails can be encrypted using built-in FIPS 140 validated cryptographic libraries from Microsoft. HP also offers a rich portfolio of HP JetAdvantage Workflow Solutions that provide advanced capture and route capabilities with enterprise level security. See "Optional HP JetAdvantage Workflow Solutions" on page 8 for more information.
- **Management safeguards:** Device management data that travels over the network between the device and HP Web Jetadmin²⁰ and other management tools can also be protected using SNMPv3. HTTPS (HTTP over SSL/TLS) can be enforced so all connections to the device Embedded Web Server administration interface are securely encrypted.
- **Secure Mobile Print:** HP offers multiple options for secure mobile printing. For more information, see "Stay connected with secure mobile printing options" on page 11.

Safeguard your physical documents

HP offers several optional solutions to help keep documents from falling into the wrong hands and help prevent fraud, such as:

- **Pull printing:** Have documents held and released only to the person who printed them. Pull printing solutions help protect sensitive data by requiring authentication at the device, and give users the flexibility of pulling the documents from any device that is enabled with the solution.
 - **HP JetAdvantage Private Print:** With HP's cloud-based solution you get the advantages of pull printing, without the complexity. It is simple to set up and does not require a server, installation, or maintenance. For more information, visit hpjetadvantage.com/ondemand.²⁷
 - **HP Access Control Pull Print:** This optional robust server-based solution offers multiple forms of authentication including badge release, as well as enterprise level security, management, and scalability. To learn more, visit: hp.com/go/hpac.

- **Embedded anti-fraud features:** This is a valuable tool in sensitive documents like prescriptions, birth certificates, or transcripts. Anti-fraud features are embedded before they are routed to the MFP and printed on plain paper by using the optional HP and TROY Secure Document Printing solution.

Easily manage security across the fleet

HP JetAdvantage Security Manager (formerly HP Imaging and Printing Security Center)

Apply efficient, fleet-wide security policies to protect all your HP print devices with optional HP JetAdvantage Security Manager.²⁸

HP JetAdvantage Security Manager

Secure your HP printing fleet with the solution Buyers Laboratory (BLI) calls trailblazing.²⁸

- Automate many tedious tasks so you can free up time for your IT staff and protect the data and documents that matter most to your business.
- Streamline the process to securely deploy and monitor devices by applying a single security policy across the fleet.
- Easily create a print security policy for your environment by leveraging the HP Security Manager Base Policy template.
- Secure new HP devices as soon as they are added to your network with HP Instant-on Security. The software automatically configures settings to comply with your corporate security policy.
- Improve the security of your infrastructure and device communications by deploying unique identity certificates across your fleet and monitoring to ensure they remain valid with HP Security Manager's efficient fleet management of certificates. The administrative overhead to install unique identity certificates across your fleet of HP devices is now less than manually installing on a single device.
- Actively maintain and verify compliance with your defined security policies by using HP Security Manager automated monitoring and risk-based reporting.

To learn more about HP JetAdvantage Security Manager or to obtain a free trial, please visit hp.com/go/securitymanager.

HP ArcSight Printer Integration

HP ArcSight provides real-time monitoring of the security posture of HP imaging and printing devices with the industry leading Security Information and Event Management (SIEM) tool.

- HP FutureSmart imaging and printing device security events are logged and easily collected.
- Events are analysed, correlated, and risks are highlighted in the ArcSight dashboard and pre-built reports.
- Devices can be easily monitored by IT security as part of the broader IT ecosystem and can enable them to take corrective actions.

HP security best practices

Since 2005, HP has published security best practice checklists for networked environments common to enterprises and small to medium businesses. HP recommends that customers incorporate recommended security configurations into their environments.

For more information on HP security solutions and checklists, please visit hp.com/go/secureprinting.

Simple one-to-one device management

The MFP can also be managed using the HP Embedded Web Server. Use a web browser to monitor status, configure network parameters, or access device features.

Control colour access

Use HP Web Jetadmin²⁰ and the HP Universal Print Driver³⁰ to assign colour access by user, time of day, or application, or disallow colour output completely until it's needed for special projects. People who truly need to leverage the power of colour—such as your sales team and marketing department—can, while others automatically default to black-and-white output.⁴⁷

Efficiently manage from a central location

The HP Color LaserJet Enterprise MFP M577 series is supported by HP Web Jetadmin,²⁰ an HP JetAdvantage Management Solution. This single solution allows you to efficiently manage a wide variety of networked and PC-connected devices, including printers, multifunction products, and scanners. Remotely install, configure, troubleshoot, safeguard, and manage your devices—ultimately increasing business productivity by helping you save time, control costs, protect your assets, and provide a better return on your investment. Easily integrate new HP LaserJet Pro and Enterprise devices without having to upgrade HP Web Jetadmin. A universal plug-in lets you support most features of new devices and apply corporate policies in one step—helping to save time and simplify device management.²⁰

HP Web Jetadmin enables you to:

- Gain a clear picture of how many and what kinds of devices you have.
- Get visibility into your supplies usage, so you can make smarter purchasing decisions, reduce spending, and even track and allocate printing costs to individual departments or users.
- Simplify, and, in many cases, automate routine tasks. For example, you can apply fleet-wide policies to automatically configure new devices with the right printing and security settings when they're added to your network.
- Give your help desk staff the tools they need—such as automatic alerts—to resolve problems quickly, and often proactively, before a call is even received.
- Verify that your devices are up-to-date with the latest firmware and are properly configured (especially important for organisations that need to meet regulatory requirements).
- Use robust tracking and reporting tools to help you make better decisions about how your devices are deployed across your organisation, so you can make the most of your IT investments.
- Take advantage of additional options, like the HP Database Connectivity Module which works together with Web Jetadmin to help you establish and help achieve environmental goals.
- Get the ultimate in investment protection with HP Web Jetadmin Premium Support. This expanded service option gives your staff access to HP's dedicated software support engineers, who provide advice, usage recommendations, problem diagnosis, and more.

HP Web Jetadmin can benefit IT-managed print environments of all sizes, from large enterprises managing thousands of devices to small businesses with just a handful. For more information—or to download this free software tool—visit hp.com/go/wja.

Make it easy for all to print with one common driver

The HP Universal Print Driver enables both mobile Microsoft device users and traditional desktop users to access the full features of nearly every HP device in your managed printing environment without the need for assistance.³⁰

Eliminate the clutter on your computer by replacing multiple print drivers with one versatile solution. Empower IT by dramatically reducing the number of drivers they have to manage—and by giving them the tools they need to improve efficiency. With the HP UPD, your IT team can easily adjust device settings to help reduce printing costs, improve security, and help meet environmental goals. For example, it's simple to push two-sided printing or quicker sleep times across the fleet. Plus, the valuable tools in the HP UPD Printer Administrator's Resource Kit help you save time and money by streamlining IT tasks, implementing printing policies, and monitoring usage across the enterprise. You can also use the HP UPD in tandem with HP Web Jetadmin to create fleet-wide managed printer lists, reports, and more.²⁰

You can download this valuable fleet driver solution and the tools in the Printer Administrator's Resource Kit for free. For more information about how the HP Universal Print Driver can help you protect your imaging and printing investment, simplify management, and boost productivity, visit hp.com/go/upd.

Appendix C: Control panel features

Troubleshoot with ease

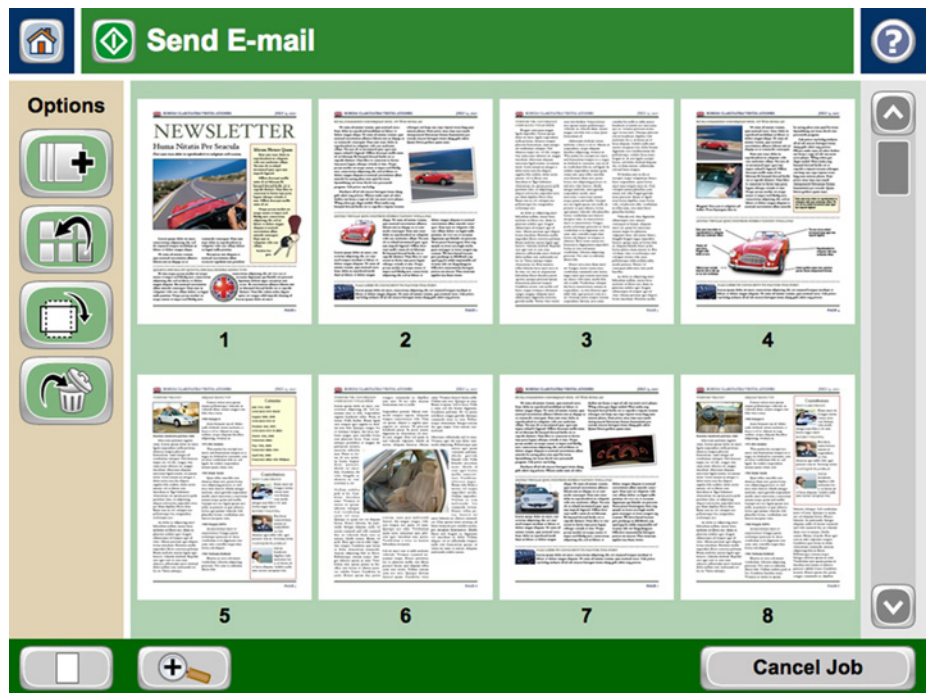

The HP Color LaserJet Enterprise MFP M577 series can help save your IT department valuable time when it comes to troubleshooting problems. The new Remote Control Panel allows users to operate the user interface remotely, so IT can troubleshoot problems without running to the MFP.⁴⁸ Users can also quickly troubleshoot technical issues with HP's innovative, cloud-based Online Help services that are relevant and up to date. Easily solve problems from your PC or mobile device. A Quick Response (QR) code on the adjustable touchscreen links to quick, accurate Online Help using smart phones and tablets.¹⁷ You can also find these links in the HP Embedded Web Server event log.

Edit jobs right at the MFP

The control panel on the HP Color LaserJet Enterprise MFP M577 series features image preview, which lets you minimise steps and reduce errors. Right from the device's 20.3 cm, full-colour touchscreen control panel, you can view and edit your scan job before you send it. You can easily get your scans to look just the way you want them. Instantly preview and modify scans before sending them into the workflow, eliminating the need to walk back and forth from a computer.

Scan multiple pages using the ADF and view them as thumbnail images, or zoom and pan for a detailed inspection. Before finalising a document you can reorder, rotate, delete, add, or zoom in on pages. You can apply changes to a single page, or multiple pages at once. Batch separation allows users to create separate PDF or PDF/A files from scanned documents. The Flow MFP M577c model can also create PDF OCR and PDF/A OCR files.⁴⁸

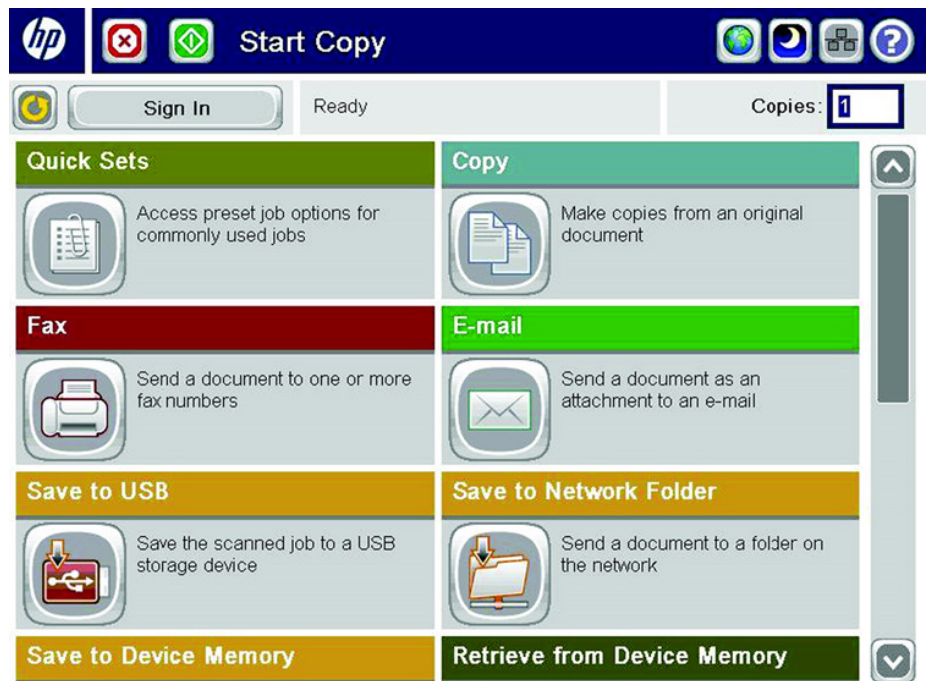

Use HP Quick Sets to launch automated workflows

The MFP's digital sending capability allows users to route documents to a variety of destinations like email recipients, network folders, fax, FTP, or a USB device. With the Flow MFP M577c model, you can also send scans to Microsoft SharePoint.

HP Quick Sets let you launch document workflows and get it right every time—at the touch of a button. HP Quick Sets help by automating all of the steps of a complicated workflow, all on a large, full-colour touchscreen. Users can find what they need right away.

In addition to scan destinations, you can preset other scan settings. These can include output file types such as PDF, JPEG, TIFF, MTIFF, XPS, and PDF/A formats. You can also specify security settings, such as encrypted PDFs to be delivered through encrypted and signed emails. Quick Set buttons can be easily created, labelled, and placed on the control panel home screen, so that you can quickly find the functions you need.

Quick Sets help IT by enabling them to promote or block access to certain device features. Calls to the helpdesk can be reduced when users have everything they need on the home screen and are restricted from accessing settings they shouldn't tamper with.

Notes

Deepest security (cover page): Based on HP review of 2015 published embedded security features of competitive in-class printers. Only HP offers a combination of security features for integrity checking down to the BIOS with self-healing capabilities. A FutureSmart service pack update may be required to activate security features on the HP LaserJet Enterprise M506, M527, and M577. Some features will be made available as a HP FutureSmart service pack update on select existing enterprise printer models. For list of compatible products, click hp.com/go/printersthatprotect. For more information, visit: hp.com/go/Usecurityclaims. The world's most preferred printers (cover page): Worldwide printer marketshare, and HP printer brand awareness, consideration and preference study in 9 markets 2014.

- ¹ Some features require additional purchase. A FutureSmart service pack update may be required to activate security features. Learn more at hp.com/go/printsecurity.
- ² More pages versus predecessor cartridges claim based on page-yield comparison of HP 507A High Yield Original LaserJet Toner Cartridges with HP 508X High Yield Original LaserJet Toner Cartridges. For more information, see hp.com/go/learnaboutsupplies.
- ³ Purchase of optional paper trays required to reach maximum input capacity.
- ⁴ Solutions deployed through the Hardware Integration Pocket may require additional purchase.
- ⁵ An administrator must enable the easy-access USB port before use.
- ⁶ 1.75 GB standard memory includes 1.25 GB printer memory and 500 MB scanner memory. Max memory is with 1 GB DIMM installed. The maximum the Firmware can use is 2.5 GB (printer and scanner) so 250 MB is unused in this configuration.
- ⁷ Wireless direct printing requires purchase of optional HP Jetdirect 3000w NFC/Wireless Direct Accessory. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the MFP or printer. For details, see hp.com/go/businessmobileprinting.
- ⁸ Touch-to-print capability requires purchase of optional HP Jetdirect 3000w NFC/Wireless Direct Accessory. Mobile device must support Near Field Communication (NFC)-enabled printing. For more information, see hp.com/go/businessmobileprinting.
- ⁹ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ¹⁰ A5 landscape cannot be duplexed.
- ¹¹ Measured using ISO/IEC 17629. For more information, see hp.com/go/printerclaims. Exact speed varies depending on system configuration, software applications, driver, and document complexity.
- ¹² Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.
- ¹³ Based on HP testing using the ENERGY STAR[®] programme's Typical Electricity Consumption (TEC) method or as reported in energystar.gov versus the top three leading competitors as of 8/2015. Actual results may vary. For details see hp.com/go/Liclaims.
- ¹⁴ Based on HP testing versus the top three leading competitors as of 8/2015. Actual results may vary. For details see hp.com/go/Liclaims.
- ¹⁵ Toner cartridge yields established using ISO/IEC test standards. Actual yields of toner cartridges/maintenance kits and costs vary considerably depending on images printed, number of colour pages printed, and other factors.
- ¹⁶ HP 508X High Yield Black/Cyan/Magenta/Yellow Original LaserJet Toner cartridges are not included in printer purchase; purchase separately.
- ¹⁷ Online Help must be enabled on the printer or MFP. Mobile device must have an Internet connection to access online services.
- ¹⁸ Based on HP internal testing of top three leading competitors' first page out from sleep mode and duplex print and copy speed completed 8/2015. Subject to device settings. Actual results may vary. For details, see hp.com/go/Liclaims.
- ¹⁹ Some solutions require download or additional purchase. Learn more at hp.com/go/printingsolutions.
- ²⁰ HP Web Jetadmin is available for download at no additional cost at hp.com/go/wja. Universal device plug-in is offered with HP Web Jetadmin 10.3 SR4 and higher.
- ²¹ Wireless operations are compatible with 2.4 GHz operations only. App or software and HP ePrint account registration may also be required. Some features require purchase of an optional accessory. Learn more at hp.com/go/mobileprinting.
- ²² Wireless networking requires purchase of the HP Jetdirect 2900nw Print Server. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.
- ²³ HP Auto-On/Auto-Off Technology capabilities are subject to printer and settings.
- ²⁴ Compared with products that use traditional fusing.
- ²⁵ The cabinet stand requires an additional purchase.
- ²⁶ Fax capabilities are optional for the HP Color LaserJet Enterprise MFP M577dn, with purchase of the HP LaserJet MFP Analog Fax Accessory.
- ²⁷ HP JetAdvantage Private Print is available at no charge and requires that the MFP be connected to the Internet with web services enabled. Not available in all countries. For more information, see hpjetadvantage.com/ondemand.
- ²⁸ Based on HP internal research on competitor offerings (Device Security Comparison, January 2015) and Solutions Report on HP JetAdvantage Security Manager 2.1 from Buyers Laboratory LLC, February 2015. HP JetAdvantage Security Manager must be purchased separately. To learn more, please visit hp.com/go/securitymanager.
- ²⁹ Use of the optional HP Trusted Platform Module accessory may require a firmware upgrade.
- ³⁰ The HP Universal Print Driver is available for download at no additional cost at hp.com/go/upd.
- ³¹ As compared with cartridge gauges for predecessor products.
- ³² As compared with previous generation of HP LaserJet printers.
- ³³ As compared with previous generation of HP LaserJet toner cartridges.
- ³⁴ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ³⁵ HP recommends that the number of scanned pages per month be within the stated range for optimum device performance.
- ³⁶ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- ³⁷ Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting.
- ³⁸ Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point.
- ³⁹ Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.
- ⁴⁰ Not all "Compatible Operating Systems" are supported with INBOX software; Full solution software available only for Windows 7 and newer; Legacy Windows Operation Systems (XP, Vista, and equivalent servers) get print and scan drivers only; Windows RT OS for Tablets (32- & 64-bit) uses a simplified HP print driver built into the RT OS; UNIX model scripts are available on hp.com (Model scripts are printer drivers for UNIX operating systems); Linux systems use in-OS HPLIP software.
- ⁴¹ Acoustic values are subject to change. For current information see hp.com/support.
- ⁴² EPEAT Silver registered models of this product are available where HP registers imaging and equipment products.
- ⁴³ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
- ⁴⁴ The HP Staple Cartridge Pack accessory is available for the HP Color LaserJet Enterprise MFP M577/c models.
- ⁴⁵ The keyboard overlay accessories are available for the HP Color LaserJet Enterprise Flow MFP M577c model.
- ⁴⁶ Service levels and response times may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/cnc.
- ⁴⁷ Colour access control capabilities vary from device to device.
- ⁴⁸ Availability dependent on firmware or software updates or upgrades.
