Ideal for users in small to medium-sized companies and microbusinesses who want to produce professional quality colour documents, and need the convenience of integrated printing, scanning, and copying functionality at the desktop – all at an affordable price.

Get more done at your desktop with this fast, high performance HP Color LaserJet MFP.
Print, scan and copy with one convenient device that fits easily on your desktop. In-line technology ensures fast print speeds of 8 ppm in colour and black-and-white. No wait for a first printed page thanks to Instant-on Technology. Use the inbuilt flatbed scanner for quick and easy colour scans, then simply save and send them to your desktop, network or an email address. Integrated 10/100 Base TX network connectivity for easy sharing [1] and Hi-Speed USB for connecting directly to your PC.

Print professional quality business documents and photos with crisp detail and vibrant colour.
Produce professional documents in brilliant colour with crisp detail that stand out thanks to HP Imageret 2400 technology. Get great quality photo printouts: HP ColorSphere Toner [2] achieves high gloss for a dynamic range of rich, bright colours, and for outstanding results use HP glossy media. Use HP Photosmart Premier to enhance, manage and share digital photos and scanned images. Make copies which are just as sharp and colourful as your originals, and benefit from advanced copy features.

Easy to use and manage, this quiet, reliable HP Color LaserJet MFP is priced to fit your budget
Very low noise level means you barely notice the MFP is there. Easy to install, use and manage with a 2.4 inch colour graphical display [1] with user-friendly menu options and status indicators. Easily integrate and print images in documents using memory card slots [1]. HP Color LaserJet print cartridges are clean and user-friendly to replace. Print longer without adding paper with up to 500-sheet input capacity [3]. Get proven HP LaserJet reliability too.

[1] Feature available with the HP Color LaserJet CM1017 MFP only

[2] Using genuine HP supplies ensures outstanding print quality as well as availability of all HP printing features with HP Smart printing technology

[3] The HP Color LaserJet CM1015 and CM 1017 MFP come with one 250-sheet input tray
An optional second 250-sheet input tray is available.
