HP Heavyweight Coated Paper - Universal

HP Heavyweight Coated Paper - Universal is designed for full colour graphics in a variety of applications. It can be used for signs and posters that can be laminated or mounted and frequently changed or replaced. This strong matte-finish paper handles high density ink coverage providing good quality images at a low cost with fast dry times.

- An economical paper that creates vivid colours.

- It creates crisp lines and a matte finish.

Graphic artists, designers, print service providers can use HP Heavyweight Coated Paper - Universal for posters, presentations, POS and retail displays and geographic information systems (GIS), architecture (AEC) and engineering (CAD) applications.
