hp LaserJet 3320n mfp**

HP LaserJet performance for professionals in small businesses, satellite and branch offices, small workteams in any size office, and people working remotely from home who need a reliable laser printer and digital copier which also offers plain paper laser faxing (only available with HP LaserJet 3330mfp) and colour scanning.

Looking for a digital copier and printer that generates documents in HP LaserJet quality and lets you fax, scan and share them even across network infrastructures? Look no further than the HP LaserJet 3300mfp series - an integrated multifunctional solution for bridging the gap between the traditional paper-based and the digital office world. Take advantage of the convenient digital laser copying and printing capabilities, or convert hardcopy to digital format for sending via the Internet.

Digital copying, laser printing, plain paper faxing and colour scanning with HP LaserJet performance.

- Clear and sharp 1200 dpi laser printing and digital flatbed copying at a speed of up to 14 ppm.
- No waiting for the first page to be printed with hp instant-on fuser technology eliminating warm-up time.
- High speed faxing with up to 33.6kbps and scan-ahead technology for immediate document release (only available with HP LaserJet 3330mfp).
- Multitask efficiently by using functions simultaneously, assisted by an automatic document feeder, which enables unattended processing of multi-page documents.

More versatile ways to be productive with a range of functions for handling different documents.

- Conveniently copy and scan documents in a wide range of paper sizes and types.
- Advanced copy functions such as automatic collation, reduce/enlarge and fit to page.
- Scan and convert colour documents to digital format for archiving or sending them as email attachments.
- Multiple standard connectivity options with optional networking (included with HP LaserJet 3320n mfp) also enable small workteams to share all functions.
- Standard hp PCL6 & 5e and HP Postscript emulation ensures full compatibility.

Unbeaten HP LaserJet reliability across all functions ensures dependable, worry-free operation.

- Robust 10,000 pages monthly duty cycle and proven HP LaserJet quality.
- Ready to use within minutes. The intuitive front panel and software assistants provide quick access to all functions.
- HP LaserJet printing technology (all-in-one cartridge with transfer rollers) ensures a safer environment with no appreciable ozone emissions and no manual maintenance required.
- One year warranty with optional support packs for warranty extensions, backed by HP's industry leading service and support network.
