Hands-free productivity

Work fast and hands-free. The 35-page auto-feeder accommodates a variety of paper sizes, including A4 up to legal-size (21.6 x 35.6 cm) documents, helping you breeze through scanning, copying, and faxing jobs quickly.

Present
professionally.
And affordably.¹

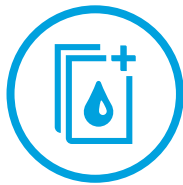

Put your best foot forward for less¹ using the World's No. 1 printer vendor.⁴ Produce professional-quality colour for up to 50% lower cost per page than colour lasers.¹

More pages. Better value.

Long-lasting ink cartridges need changing less often, saving you money. Use optional Original HP high-yield ink cartridges to print up to 3x as many black text pages and 2x as many colour pages.⁵

Impressive colour print quality

Create vibrant, professional-quality colour graphics and black text, perfect for office use and client presentations. Reliably print marketing materials, spreadsheets, tables, and other documents on a variety of paper sizes. Rely on Original HP ink cartridges to deliver durable documents that stand up to highlighters and resist water, smearing, and fading.⁶

Brochures and flyers that always look great

Create professional-quality borderless brochures, flyers, photos, and documents—right in your office. Be sure your prints always look good, no matter what the project.

Easy mobile printing with the HP Smart app.²

Easily print documents, presentations, and other business materials directly from your smartphone or tablet.⁷

The power of your printer in the palm of your hand

Get the app that's designed to completely control your printer. Scan on the go, print from Dropbox and Google Drive™, and easily order ink, with the HP Smart app.²

No network, no problem

Easily print from your smartphone or tablet without a network—anywhere in the office. Wi-Fi Direct® printing lets you connect your mobile device directly to your printer.⁸

Easy printing from a variety of operating systems

Simply tap the print button on your iPhone and iPad using AirPrint, or on devices using Android™, Windows® 8/10, and Google Chrome™ operating systems, and easily connect your printer—no additional app or network access needed.⁷

Help achieve a high level of privacy and control

Help increase privacy and maintain control. HP JetAdvantage Private Print⁹ helps prevent unauthorised access to confidential print jobs stored in the cloud. Users have the flexibility to pick up jobs at any compatible device with secure authentication.
