

Data sheet

HP 57A Original LaserJet Imaging Drum (CF257A)

Ideal for high-volume users who want the system reliability and exceptional print quality they expect from the HP LaserJet MFP M436.

Get the Original HP parts you need to correctly assemble and install replacement drums for the HP LaserJet MFP M436. Designed and engineered with the printer, this kit will help maintain the quality and reliability you expect from HP.

Maintain peak performance

Use Original HP parts to help maintain print quality and reliability. This kit was designed with the HP LaserJet MFP M436 – with components specifically engineered to deliver dependable results.

Help ensure peak performance – the Original HP parts in this kit were designed and engineered with the MFP.

Maximise uptime

Help avoid costly downtime and disruptions. The Original HP imaging drum and developer beads in this kit work together with Original HP toner to deliver consistent reliability and print quality.

Minimise downtime – every kit component works together with the HP MFP and Original HP toner.

Choose Original HP for dependable results

Get dependable results with Original HP. Non-HP parts may not deliver the same reliability and print quality as Original HP – and could lead to wasted time and money.

Get the results you expect with Original HP – alternatives may not deliver the same quality and reliability.
